What's New In?

□ Compete Intelligence
Toolbar is a free tool that let
you gain valuable
information and keep on top

of the competition. It will also allow you to work in an intelligent way. The **COMPETITIVE INTELLIGENCE TOOLBAR** is fully Ad free and virus free and for 30 days you will have the tool bar at no cost, There is also a lifetime update option allowing you to keep being up-to-date and keep your browser safe from viruses. When you first open the toolbar you will have the option to enable or disable

the tool bar. If you have not adjusted the toolbar to your liking yet then you can re enable the toolbar with no buttons missing or replaced. If you have previously enabled the toolbar you will have to download the newest version of the toolbar. When the toolbar is enabled it will be visible on every website you are browsing, (If you are a Yahoo USA member you can see a list of the hottest

Yahoo USA news stories.)
When the toolbar is disabled there will be no tool bar visible anywhere on the web. To enable the tool bar click and you are ready to go. To disable the tool bar click again and the tool bar is no longer visible. When you first open the toolbar you will see a set of buttons, you can use these buttons as shown on the screen or scroll down to see more buttons at a time. Once you

understand the function of the buttons you are ready to use the toolbar to it's full potential, but don't worry, if you want you can simply click any of the buttons to remove it. Note: Sometimes when you are surfing and you click one of the buttons the tool bar may disappear for just a moment. There is nothing you can do to fix this except keep re-enabling the toolbar. The buttons work as follows: □ FIND A

FREE PROXY □ GET AD FREE
